

Homesteaders Quick Bites Guidebook: Raising Chickens - My 5 Top Tips (K.I.S.S Quick Bites Book 4)

Welcome to my K.I.S.S Quick Bites introduction to Raising Chickens. K.I.S.S. (Keep It Simple Stupid) Is part of a series of introductions to the world of homesteading and self-sufficiency. And Quick Bites is all about putting essential information in such a way that it can be swallowed whole, and absorbed at one sitting so to speak. Chickens are perhaps one of the easiest of the farm animals to look after, and certainly one of the most instantly productive with regard to egg laying. A must have for any homestead, They do however require certain things to be in place before they can perform and provide you with a goodly supply of fresh eggs. This publication lays out the top 5 things I believe must be right, before you will get the best out of your chickens.
