

## Luz de agosto / Light in August (Contemporanea) (Spanish Edition)

Faulkner, además de haber sido el innovador de una forma de narrar que ha influido poderosamente en las generaciones que le han continuado, fue el cronista de los más notables hechos, costumbres y personajes de su tierra. Luz de agosto es una de las obras más representativas de un hombre que, trabajando sobre la historia y haciendo campar la imaginación, logró convertirse en uno de los escritores más importantes de este siglo. ENGLISH DESCRIPTION A novel about hopeful perseverance in the face of mortality, features some of Faulkner's most memorable characters: guileless, dauntless Lena Grove, in search of the father of her unborn child; Reverend Gail Hightower, who is plagued by visions of Confederate horsemen; and Joe Christmas, a desperate, enigmatic drifter consumed by his mixed ancestry. Influential pieces written in the last fifteen years of Faulkner's life, the years in which he found his voice in the public sphere.
