

## Bingos Run: A Novel

For fans of Dave Eggers, Teju Cole, and James McBride, comes this extraordinary novel of morality and the redemptive powers of art that offers a glimpse into an African underworld rarely described in fiction. Meet Bingo, the greatest drug runner in the slums of Kibera, Nairobi, and maybe the world. A teenage grifter, often mistaken for a younger boy, he faithfully serves Wolf, the drug lord of Kibera. Bingo spends his days throwing rocks at Krazi Hari, the prophet of Kibera's garbage mound, lipping safari tourists of their cash, and hanging out with his best friend, Slo-George, a taciturn fellow whose girth is a mystery to Bingo in a place where there is never enough food. Bingo earns his keep by running white to a host of clients, including Thomas Hunsa, a reclusive artist whose paintings, rooted in African tradition, move him. But when Bingo witnesses a drug-related murder and Wolf sends him to an orphanage for protection, Bingo's life changes and he learns that life itself is the run. A modern trickster tale that draws on African folklore, *Bingos Run* is a wildly original, often very funny, and always moving story of a boy alone in a corrupt and dangerous world who must depend on his wits and inner resources to survive. ONE OF LIBRARY JOURNALS OUTSTANDING NEW VOICES TO CONSIDER Bingo's voice guides us; by turns he is aggressive, confident, smart, cynical, but also naive. Bingo tosses his observations at us with great urgency, almost percussively, in a staccato manner that recalls gunshots. And though he's blunt, he's also a sensitive observer... . Levine is creating a sense of an entire world, raffish and fast... . The larger story Levine is telling ... is the story of a person's mind, and of the good, bad, and indifferent forces that make him what he is and that story is told with compassion and intelligence. The Boston Globe James A. Levine is a deeply gifted writer who

reaches into the dirt, sweat, and diesel of modern-day Nairobi and introduces us to a young innocent whose adventures are unforgettable. Bingos runs between joy and death, laughter and sorrow, survival and redemption, will make you feel like cheering. James McBride, author of *The Good Lord Bird* and *The Color of Water* *Bingos Run* is one of those rare books that infuse a potentially difficult subject with intimacy, tenderness, and humor. Social commentary, gritty comedy, and pure cinematic adrenaline meet in an utterly compelling novel with a voice all its own. Tash Aw, author of *Five Star Billionaire* *Bingos Run* manages to read like timely news and high adventure at the same time. Levine's main character, Bingo, is an underage drug runner, hardened orphan, and hustler extraordinaire. He's also funny and wise well beyond his years. The rousing story of Bingos evolution is matched only by Levine's portrait of modern-day Nairobi, both child and city depicted with real flair and affection. Victor LaValle, author of *The Devil in Silver* Bingo is a fascinating and inimitably likable character. Levine, a Mayo clinic professor of medicine and well-known child advocate, excels at telling his adventurous, comic, and realistically gritty story with humor but not with pathos, successfully addressing the harsh and sometimes tragic story of a child at risk. *Library Journal*
