

Unauthored Letters (John Sanders Book 2)

Howey Award Winner of Best Adult Author & Best Adult Book Winner of The Blot Writing Contest Allred shows excellent insight into the psychological interactions of her characters in this gripping mystery of greed and redemption. - ForeWord Clarion Reviews Dr. John Sanders has given Rebecca Brownell a new chance at life. After an isolated childhood, an abused adolescence, and an institutionalized existence, Rebecca is finally free to conquer her demons and build a promising life. However, just as it appears Rebecca has achieved her dreams, eerily personal letters begin arriving in the mail. Letters sent from an unidentified source who knows far more about her past than anyone should. Letters which question and threaten Rebecca's sanity. Unauthored Letters is the inspiring tale of a woman's troubled past, a man's quest to protect her, and their fight against a mysterious foe. Its a story of trust strained by illness, love tried by lies, and promises terrorized by illusive danger.

A s a bookstore owner, this book caught me by surprise! Reading it almost felt like a movie to me; there is a ton of dialogue, descriptive scenes, real (flawed) characters and a definite time line, where the characters move from stage to stage in their relationships. Then, boom! Once the letters start to arrive, the plot transforms, the mystery deepens and the story crescendos into a romantic suspense thriller. The authors style is not to withhold information to prohibit decoding the outcome, but rather writes the characters to explore all possible scenarios, which therefore, rules out conceivable possibilities. A chilling unforeseen conclusion for the reader! Its just a fun fresh book! --Laura Lewon, owner of The Dog-Eared Page
