

Billy Bonkers

Mad stuff just happens with Billy Bonkers! Billy is a bouncy, bubbly, bonkers boy. And wherever he goes, off-the-wall adventures always seem to follow. From bouncing so hard on his trampoline that he bounces up, up and away...into space, and eating so much porridge his stomach puffs up and he floats into the garden tree (and gets stuck...until he burps anyway), to a flight on a deflating lilo to biff a big, vicious shark right on the nose! Along with his wacky dad, brainy sister and down-to-earth mum, Billys life is never boring, its bonkers! This zany text is perfectly accompanied by Nick Sharratts energetic illustrations.
