

## Hunters of Gor (Gorean Saga)

Former Earthman Tarl Cabot is now a powerful Tarnsman of the brutal and caste-bound planet of Gor, also known as Counter-Earth. He embarks on an adventure in the dangerous and mysterious wilderness of Gor, pitting his warrior skills against treacherous outlaws, bandits and fighters. Three different women are working to bring change to Tarl's far-from-peaceful life on Gor: Talena, his one-time queen and first love; Elizabeth, his brave fighting partner; and the Amazonian Verna, chief of the fierce and wild panther women. As Tarl journeys through the wilderness, the fates of these three remarkable women will finally be decided. Coinciding with the 40th anniversary of the first book of the Gorean Saga, TARNSMAN OF GOR, E-Reads is proud to release the very first complete publication of all Gor books by John Norman, in both print and ebook editions, including the long-awaited 26th novel in the saga, WITNESS OF GOR. Many of the original Gor books have been out of print for years, but their popularity has endured. Each book of this release has been specially edited by the author and is a definitive text.
