

Chronicals of Uganda

Originally published in 1894. PREFACE: In reading of the early days of Mwangas rule, the tragic horror of that period will only be appreciated by those who will go back in imagination to that time when the Uganda king was an impersonation of relentless cruelty and absolute power. His very silliness and wealness at that period lent a further feature of horror to the situation of those who had the misfortune to find themselves in his clutches..... This early works is a fascinating look at the history of Uganda and will appeal greatly to any historian. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
