

Take a Load Off, Mona Jamborski

From an award-winning author comes a novel about a 528-pound recluse. Meet Mona Jamborski, who hasn't left her home in years and is slowly eating herself to death, with one foot in her past memories and another foot in her grave. Mona sees no future for herself until one day, someone knocks on her door and unwittingly leads her into a life-changing decision. Take a Load Off, Mona Jamborski is a book filled with the wonders and heartbreaks of human relationships.
