

CLEP® Introduction to Educational Psychology w/CD (CLEP Test Preparation)

Earn College Credit with REAs Test Prep for CLEP Introduction to Educational Psychology. Everything you need to pass the exam and get the college credit you deserve. CLEP is the most popular credit-by-examination program in the country, accepted by more than 2,900 colleges and universities. For over 15 years, REA has helped students pass CLEP exams and earn college credit while reducing their tuition costs. Our CLEP test preps are perfect for adults returning to college (or attending for the first time), military service members, high-school graduates looking to earn college credit, or home-schooled students with knowledge that can translate into college credit. The CLEP Introduction to Educational Psychology test prep assesses the skills tested on the official CLEP exam. Our comprehensive review chapters cover: theoretical and educational psychology concepts, behavioral and cognitive perspectives, and more. The book includes two full-length practice tests. Each exam comes with detailed feedback on every question. We don't just say which answers are right, we explain why the other answer choices are wrong, so you can identify your strengths and weaknesses while building your skills. Both of the book's practice tests are also offered on our interactive TestWare CD and give you the added benefits of timed testing, automatic scoring, and diagnostic feedback. We help you zero in on the topics and types of questions that give you trouble now, so you'll succeed when it counts. REA is the acknowledged leader in CLEP preparation, with the most extensive library of CLEP titles available. Our test preps for CLEP exams help you earn college credit, save on tuition, and get a college degree.
