

# Diary of a Manhattan Call Girl

A sexy, page-turning novel written by a real-life, Manhattan call girl. The naughtiest read: Mischief Books. This is the diary of Nancy Chan, busy career girl, in her thirties, newly engaged and trying to balance job and romance. But Nancy is a high-class call girl, a fact her banker fiancé, Matt does not know (he thinks she's a copy editor) and Nancy wants to keep it that way. With one foot in the bedrooms of her rich and demanding clients and one in the world of her fiancé and his family, Nancy demonstrates, in her inimitable fashion, that if you know the dance, you can keep those two worlds from colliding. At least for a while.
