Large parts of the world are faced with starvation, while others are living in abundance. The Chronological selection from Einsteins letters and writings which reflect his desire for the abolition of war. Einstein despised militarism and the use of force his entire life although he later recognized that in some situations, there is no alternative but to fight for peace. Peace cannot be kept by force it can only be achieved by understanding. - Albert Einstein quotes from . Here is a rare recording of Albert Einstein reading his speech on the immediate aftermath of World War II, The War is Won, But the Peace is
