

Assassin: Elloras Cave

Middlemarch Mates book 4

Feline shifter Leo Mitchell is the pretty brother who attracts women with ease, but hes turned picky. He suspects the mystery blonde hanging around Middlemarch is the one for him. If only he could grab the elusive female and seduce her. Oh yeah. He craves some hot, sinful lovin with the lady in black leather. Assassin Isabella Black has harbored a huge crush on hunky Leo for ages. Because the timing sucked shes watched him from afar, praying another woman wont snatch the hottie away before shes free to stake a claim. Finally the pair meet. Isabella offers her naked body but Leo counteracts with a cup of tea. Seems Leo likes to call the shots when it comes to sex. A day later theyre finally dancing horizontally. Its smokin hot, steamy, delicious--everything shes ever wanted. Isabella is ecstatic until another assassin threatens to ruin her happiness. Its life or death now. One wrong move and her secrets will destroy the Mitchells along with everything that has become dear to her...including Leo.
