

Months and Seasons

Finalist for the prestigious Frank O'Connor International Short Story Collection Award Exceptionally entertaining and thought-provoking! --Raging Bibliomania A polished gem from a gifted artist --critic Grady Harp Months and Seasons is the follow-up story collection to Christopher Meeks award-winning *The Middle-Aged Man and the Sea*. With a combination of main characters from young to old and with drama and humor, the tales pursue such people as a supermodel who awakens after open-heart surgery, a famous playwright who faces a firestorm consuming the landscape, a reluctant man who attends a Halloween party as Dracula, and a New Yorker who thinks she's a chicken. Christopher Meeks' quirky stories are lyrical and wonderfully human. Enjoy, says Sandra Tsing Loh, author of *The Madwoman in the Volvo*.

I think they are opposite to Australia but we start our seasons at the beginning of months, I think you start mid-month?
