

Cat Laughing Last: The Joe Grey Mysteries, Book 7

Even felines with such amazing talents as Joe Grey and his partner, Dulcie, need some down time. Using their amazing abilities to talk and read, they've helped their unwitting humans put bad guys away. But these clever four-footed detectives can't possibly enjoy a little catnap, not when their lovely seaside village is in an uproar. It's bad enough that Molena Point has been invaded by a famous writer and his suspiciously rude wife. Then the local yard sales set off a host of puzzling thefts. Whiskers twitching and tails up, Joe Grey and Dulcie can't resist pouncing on the case. Helped by their beloved companion, an inquisitive young tortoiseshell Kit, Joe Grey and Dulcie soon discover that certain collectibles at those sales hold a secret treasure someone will kill to possess. But before the fur can fly this talented trio will unmask a murderer - and unearth a few other surprises along the way.
