Second in the new series from the author of Heart Fortune, Heart Journey, and other Celta novels. What lies beneath Clare Cermak's adjusting to a new man in her life and a lot of ghosts. The passing of Clare's aunt gave way to a sizeable inheritance of not only money, but also the ability to communicate with the dead. At the same time, she met Zach Slade, a private detective with a rough past, and just like Clare, he's not yet ready to accept her gift for his own. But Clare has another matter to look into. A multimillionaire needs her help after relocating an old ghost town to his mountain estate. The bones of a murdered prospector are making nightly appearances in his guests' beds. When the gold miner's ghost contacts Clare, she promises to help find the name of his killer, but someone doesn't want the past revealed and might find her first.
