

Happiness For Beginners

A year after getting divorced, Helen Carpenter, thirty-two, lets her annoying, ten years younger brother talk her into signing up for a wilderness survival course. Its supposed to be a chance for her to pull herself together again, but when she discovers that her brothers even-more-annoying best friend is also coming on the trip, she cant imagine how it will be anything other than a disaster. Thus begins the strangest adventure of Helens well-behaved life.
