

I Is For Innocent (A Kinsey Millhone Mystery)

Smack in the middle of a civil suit, Lonnie Kingmans private investigator drops dead of a heart attack. Five years ago David Barney was acquitted of murdering his rich wife. Kingman is trying to divest Barney of the profits of that murder, and time is running out. Kinsey Millhone agrees to wrap up Morley Shines investigation. So its a shock when she finds his files in disarray, his informant less than credible, and his witnesses denying ever speaking with him.
