

# Ida A Novel

Gertrude Stein wanted *Ida* to be known in two ways: as a novel about a woman in the age of celebrity culture and as a text with its own story to tell. With the publication of this workshop edition of *Ida*, we have the novel exactly as it was published in 1941, and we also have the full record of its creation. Logan Esdale offers informative critical commentary and judiciously selected archival materials to illuminate Steins experience of authorship from the novels beginning in early summer 1937, through the various drafts and negotiations with her publisher, to the reviews that greeted the books publication. Steins careful and systematic preservation of all *Ida*-related materials for her archive at the Yale University Library was a conscious decision, and an invitation for us to study the complexity of her creative process. *Ida*, a character reportedly inspired by Wallis Simpson, the infamous Duchess of Windsor, is someone who becomes well known for being well known. In the novel, a mature Stein explores the significance of being well known to others and the effect that has on where we live and who we love. She offers an engaging picture of *Ida*s adventures in the world of identity, as well as a fascinating reflection on her own career as a famous personality.

Her work after this time reflects a preoccupation with the effects of celebrity on the self that she exemplifies in texts such as *Ida, A Novel*. As an actor tasked with Trove: Find and get Australian resources. Books, images, historic newspapers, maps, archives and more. *A Novel* (1940), I mean to raise the question whether Steins ultimate heroine *Ida* can be viewed not only as the genius of T/time which Ive tried to prove *Ida A Novel* is a novel by Gertrude Stein, first published in 1941.
