

Now and Again

A provocative novel about the fallout from a search for truth by the author of the national bestseller *The Lifeboat*. For Maggie Rayburn--wife, mother, and secretary at a munitions plant--life is pleasant, predictable, and, she assumes, secure. When she finds proof of a high-level cover-up on her boss's desk, she impulsively takes it, an act that turns her world, and her worldview, upside down. Propelled by a desire to do good--and also by a newfound taste for excitement--Maggie starts to see injustice everywhere. Soon her bottom drawer is filled with what she calls evidence, her small town has turned against her, and she must decide how far she will go for the truth. For Penn Sinclair--Army Captain, Ivy League graduate, and reluctant heir to his family's fortune--a hasty decision has disastrous results. Home from Iraq and eager to atone, he reunites with three survivors to expose the truth about the war. They launch a website that soon has people talking, but the more they expose, the cloudier their mission becomes. *Now and Again* is a blazingly original novel about the interconnectedness of lives, the limits of knowledge, and the consequences of doing the right thing.

Definition of every now and again in the Idioms Dictionary. every now and again phrase. What does every now and again expression mean?
