

Interrupted Vol 3 (Volume 3)

The final part of *Interrupted*, a three-part series from New York Times and USA Today bestselling author, S.Moose. His words play in my head over and over. Everywhere I look he's there and it's killing me. Whenever our eyes meet all I can see is the darkness in his eyes. I hate him. I hate that I spent all my time worrying about him and looking for him. I hate everything he stands for. I don't care if we share an unbreakable bond. It doesn't matter that he won't let me go. I won't go back to him. I'm moving on with my life with my other half and I'll be happy. How can I spend my life with someone who lies? How can I love him again knowing his cold heart will never thaw? I'll never fall for his games. I'll never believe his words. I hate him.
