

Midlife Mouse

Bill Durmer is in over his head. In *Midlife Mouse*, the debut novel from filmmaker Wayne Franklin, Durmer, an underachieving genius, runs away to Walt Disney World in the mother of all midlife crises. Led by a series of bizarre encounters, a hyper-caffeinated delusion and a mysterious prophecy, Bill goes to the Magic Kingdom seeking his destiny. But a group of Disney haters will do almost anything to stop him. Pirates and princesses, morticians, moms and man-beasts, spacemen and psychos all have a stake in Bills future ... and those are the good guys. This is not how he planned to spend his summer vacation.
