

Last Fires Burning (Avalon Mystery)

Its one week before the election in Diamond Springs when an old car rolls down Main Street with flames shooting out of it and a dead body in the backseat. A day later, a man is found dead on Diamond Mountain, trapped in a net that was supposed to help save wild animals trying to escape the fires in the Uwharrie Mountains. Both deaths look accidental. But both are murders. Sheriff Sharyn Howard is called a hero when a suspect is arrested quickly. The election is finally looking up for her. Unfortunately, the quick answer isnt always the right answer. When the sheriff goes looking for the truth, she gets more than she wants. And endangers someone she loves in the process.
