

Rough Ride Romeo (Crawley Creek) (Volume 2)

Cowboys don't cry, but Roman Romeo Freemont certainly has enough tragic history to spend his days teary-eyed. Instead he's turned to women and liquor in an effort to soothe his aches and pains, but when a petite brunette with a feisty temper comes crashing into his world, he realizes what he's been missing. Francesca Franki Scott has walked through fire herself. Nowadays she just isn't a people person, and she's definitely not interested in a wannabe playboy ranch owner either. She has a mission and it could mean life or death for someone close to her if she gets distracted. Closing the gap between these two wounded souls could mean surviving yet another tragedy. Will their determination to hide their pain from themselves be their downfall, or will they come through this rough ride together?
