

A Taste of Reality

Kimberla Lawson Roby returns with another moving and triumphant novel about a woman who, against all odds, battles the most blatant kind of workplace discrimination while dealing with a crumbling marriage and a trusted friend's betrayal. On the surface, Anise seems to have it all: a successful career, a solid marriage, and good friends. But when she applies for a promotion at work, she loses out to a white colleague who isn't nearly as qualified for the job. However, the problem at work is only the beginning of Anise's troubles. After being married for four seemingly blissful years, she discovers that her husband is having an affair. And to make matters worse, her best friend at work is keeping dangerous secrets. But Anise is no quitter. As brave as she is determined, she reaches deep inside her soul to find the strength and courage to overcome heartbreak and stay her course. Ultimately, she will discover that what is worth having is worth fighting for -- in her career and, most importantly, in her heart. With a compelling plot and writing that captures every emotion, *A Taste of Reality* is a deeply poignant and unforgettable story.
