Under the pressure of his boss, the intransigent Riviere, the airmail pilot Fabien attempts a perilous flight during a heavy night-time thunderstorm in Argentina. As conditions get worse and the radio communication with Fabien becomes increasingly difficult, Riviere begins to question his uncompromising methods, and his distress turns to guilt when the pilots wife comes to find him in search of answers. Based on Saint-Exupery's own experiences as a commercial pilot, Night Flight is a haunting and lyrical examination of duty, destiny and the individual, as well as an authentic and tragic portrayal of the intrepid early days of human air travel.
