Long before *Desperate Housewives*, there was *Bedelia*: pretty, ultra femme, and adoring as a kitten. A perfect housekeeper and lover, she wants nothing more than to please her insecure new husband, who can't believe his luck. But is *Bedelia* too good to be true? A mysterious new neighbor turns out to be a detective on the trail of a kitten with claws of steel. A picture-perfect wife with a string of dead husbands in her wake. Caspary builds this tale to a peak of psychological suspense as her characters are trapped together by a blizzard. The true *Bedelia*, the woman who chose murder over a life on the street, reveals how she turns male fantasies of superiority into a deadly con.
