The Nutribullet Natural Healing Foods Book The Nutribullet Recipes offers a fresh take, literally, on how we consume our food. Sure, weve always sauteed, boiled or steamed our vegetables, but are we really getting the nutrients our bodies needs? A significant portion of those nutrients disappear during these processes.

Fruits provide us with essential vitamins, but how many bananas, apples and strawberries can you really eat in order to give your body its needed nutrients. Will you always have the stomach to eat as much you really need? This Nutribullet Recipe Book will answer these dilemmas by providing you an easy reference on how to consume your fruits and vegetables raw and extracted. Nutrient extraction is nothing like blending or juicing the fruits and vegetables out. The Nutribullet, a device which extracts the essential nutrients from your fruits and vegetables, ensures you get your recommended dose of vitamins and nutrients, its as if you ate them raw but without the struggles of chewing. What you get is a tasty shake, slush or smoothie offering your body with all the essential nutrients in an easy-to-consume form. So, for who is this Nutribullet Natural Healing Foods Book?
