

Pain Management: A Burke Novel

Burke is back, but still lurking in the shadows, unable to return home. He is prowling the unfamiliar streets of Portland, Oregon, in search of a runaway teen. By all accounts, Rosebud Carlin is a happy, well-adjusted girl. She doesn't fit the profile of the runaway kids Burke knows so well—and once was. But there's something about her father—Burke knows the street script, but the actors are all strangers. Cut off from his family and his network of criminal contacts, Burke is forced into a dangerous alliance with a renegade group dedicated to providing relief to those in intractable pain by any means necessary. A bargain is struck, and the fuse is lit. Heart-stopping and hard-hitting, *Pain Management* is the latest bout in Andrew Vachss's thrilling reign as undisputed champ of brass knuckles noir.

With regards to *PAIN MANAGEMENT*, I can say that I enjoyed this novel slightly more than I did the last one. Burke is still living in the Portland area of Oregon. *Pain Management: A Burke Novel* (Burke Series, Band 13) Andrew Vachss ISBN: 9780375726477 Kostenloser Versand für alle Bücher mit Versand und Editorial Reviews. Review. When last encountered (2000s *Dead and Gone*), . In *PAIN MANAGEMENT*, a large part of the novel is spent with Burke simply driving around and asking questions.
