

Pink Africa

On the alkaline lakes of Kenya and Tanzania live over three million Lesser and Greater Flamingos. This collection of photographs by Carlo Mari seeks to capture their fleeting grace, and, with Nigel Collars text, offer a fascinating insight into their curiously enchanting world.

Indias tour of South Africa is flowing like a smooth river and visitors have won the first three ODI matches comprehensively and are now oneTo provide the Women of Africa with access to Programs, to bring Awareness, support and educate every African Woman on the subject of Breast Cancerlearn What youre about to see is not an illusion. The innovative (and as were about to find out) equally daring photographer Richard Mosse Mbali Hlongwanes personal vision is to drive the economic, innovative and social development of Africa at large, through problem solving thats not their official jersey, they wear pink jersey to just spread awareness for breast cancer.AB De Villiers himself said,We realise the importance ofeducation and support to the women of Africa about breast cancer. Our Vision is to empower all African women through early detection and to help eradicateThe story of survival A PINK FOR AFRICA CAMPAIGN All Rights Reserved by Pink for Goals.
