

## Budget Burma Travel Guide: Backpacking Myanmar

This book is designed to meet the needs of the independent budget backpacker travelling to Myanmar. What to expect from this guide? \* 40,000 words of concentrated information that will answer all your major questions and help you travel through the fascinating land of the Burmese people. \* The latest information for 2013/14 to help you navigate this rapidly changing country. With the kindle version you will also be eligible for periodical new updates free of charge. \* Our information will be invaluable to you if your budget is set between \$15 (?11) & \$80 (?55) per person per day. \* A variety of guesthouse options, including many that arent in the major guide books (and hence are less busy & better value!) \* Budget busting tips, maps, packing advice, foodies guides, transport info, etiquette, currency information, attractions (both major and off-the-beaten-path) and much more. \* As well as featuring all of the major destinations, we investigate the road less travelled so you can stay off the tourist trail if you choose. About Burma: Burma is becoming increasingly geared for tourists and this is pushing prices up. Right now however, it is still very much an un-jaded destination with untouched scenery and welcoming local people. With a little knowledge, you can avoid the tourist traps and have a great adventure both safely and cheaply. There are some must-sees and some rarely seen gems. We include a wide selection of both so you can make your own path. In Depth Destination Guides Included: Yangon Mandalay Bagan Inle Lake Pyin oo Lwin Hsipaw Bago Kalaw Kyaukme Essential Information for Minor Destinations: Mrauk-u Mawlamyine Monywa Pathein Ngpali Beach And others.

If you want to travel Myanmar in a low budget, I will tell you my itineraries, Additional reading: DK Eyewitness
