

## Namibia Travel Atlas (Globetrotter Travel Atlases)

This road atlas of Namibia is part of a series of practical road atlases featuring precise cartographic information incorporating all the visitor may need to know. The text is complemented by detailed maps which highlight scenic routes, national parks, and places of interest. Important areas and popular visitor destinations are enlarged for easy identification and accompanied by colour photographs, climate tables and distance charts. The key tourist areas include top attractions and street plans of major cities and other centres, listing recommended hotels, restaurants, golf-courses, beaches, resorts, contact telephone numbers and other details. The main map section provides useful information on road conditions, parking facilities, route maps, distances, and other travel details.
