

## Jacis Experiment (Resonance Mates)

Love.the grandest experiment of all Resonance Mates series As a young Alvian lab tech, Jaci knows her place in the orderly, emotionless society her race has established on the planet Earth. While preparing a batch of experimental skin patches, she is accidentally exposed to a gene-altering agent. In a matter of days, shes assaulted with raw, primitive, forbidden emotions she has no clue how to handle. If her superiors find out, shes a dead woman. Her only hope is to seek help from the human test subjects held captive in pens below the city. Before the aliens came, cousins Mike and Dave used their psychic abilities to their advantage in business dealings. Now they use them to stay alive, keeping a sharp telepathic eye out for ways to help themselves and others improve their lot.or escape. Their friendship with Jaci has always been more than simply captives and caretaker. Now that her DNA has changed, their shared resonance is the stuff of legend. Inevitably, Jacis emotions expose her to deadly Alvian justice. Suddenly shes in the race of her life, seeking the only safety shes ever known.in the arms of her human Resonance Mates. Warning: This book contains graphic language, mnage a trois, naughty dreamwalking and scorching hot alien loving.
