When naked Bishop Llewellyn is kidnapped from his bed in the middle of the night by his angry best friend Trav, he has no idea of the enormous ways his life is about to change. After they are trapped in a cave, Bishops search for help for his seriously injured friend leads him to a mysterious valley where he discovers his long-lost brother among the blue-skinned inhabitants. His stubborn search for an escape from the valley is sidetracked when he meets Samara, a woman who is more interested in finding out whats hidden under his sharda than seeking out a mate. Soon hes blithely showing Samara all the sensual possibilities without understanding the consequences of his actions. Their no-strings-attached affair derails when Bishop unintentionally embarrasses Samara. Then an assassins attack on Bishop nearly succeeds...
