

Something You Should Know

The debut from the No 1 bestselling author of *SOMETHING FROM TIFFANYS* and *THE HOTEL ON MULBERRY BAY*. It was her secret, but now there was no going back... Just when everything was going so well for Jenny and Mike, Roan Williams comes back into their lives. Four years earlier, while her closest friends were falling in love and heading for happy ever after, love rat Roan had broken Jennys heart and completely shattered her life. Harboured a terrible lie, Jenny struggled to pick up the pieces of her life, but now that Roan has returned the truth will out. It would ruin everything, but Mike had a right to know.... Hill has managed to combine elements of romance with the page-turning benefits of a thriller. One to read. U Magazine A great read with some unexpected twists and turns towards the end Womans Way
