And it's why he intends to figure out why his sometime girlfriend Cherie Harper runs hot as hellfire one minute and pushes him away the next. Cherie's got it bad. Vader sweeps her off her feet literally and their chemistry is combustible. There's just the little problem of a nightmare from her past she was desperate to escape. And then her sister Trixie arrives, causing havoc for Cherie and the male population of San Gabriel. Cherie doesn't want her past to complicate Vader's life or his career. But there's nothing like a firefighter to break through all your defenses, one smoldering kiss at a time ...
