

## Galapagos Wildlife (Bradt Travel Guide. Galapagos Wildlife)

Traveling to the Galapagos to discover the unique flora and fauna that so captivated Darwin and the many that followed him is a rite of passage for serious wildlife enthusiasts. Written by two expert naturalists who are passionate about the Galapagos, this guide is packed with entertaining descriptions, while full-color photography aids in identifying key species both on land and below water. [HelenC1] Now with more detailed descriptions of island landing sites, more photos, and updated information on conservation efforts, Bradts Galapagos Wildlife is the perfect companion for this once-in-a-lifetime trip. For those looking to explore it also includes unique island trail plans.
