

# The Family Business 3: The Return of Vegas

A New York Times Bestselling Author Vegas Duncan was being groomed since birth to take over the Duncan family business. Then a fifteen-year prison stint derailed those plans. When LC Duncan announces his semi-retirement and Vegas younger brother Orlando is pushed into the top spot, Vegas didn't bear him any ill will. Not everyone feels the same way, though, like their mother, Chippy, who through some clever political maneuvering has had Vegas pardoned.
