

The Whole Cat and Caboodle: Second Chance Cat Mystery Series #1

Sarah Grayson is the happy proprietor of Second Chance, a charming shop in the oceanfront town of North Harbor, Maine. At the shop she sells used items that she has lovingly refurbished and repurposed. But her favorite pet project so far has been adopting a stray cat she names Elvis. The big black cat with a scar across his nose turned up at a local bar when the band was playing the King of Rock and Rolls music and hopped in Sarahs truck. Since then hes been her constant companion and the furry favorite of everyone who comes into the store. But when Sarahs elderly friend, Maddie, is found with the body of a dead man in her garden, the kindly old lady becomes the prime suspect in the murder. Even Sarahs old high school flame, investigator Nick Elliot, seems convinced that Maddie was up to no good. So its up to Sarah and Elvis to clear her friends name and make sure that the real murderer doesnt get a second chance.
