

The House of the Seven Gables

In a sleepy little New England village stands a dark, weather-beaten, many-gabled house. This brooding mansion is haunted by a centuries-old curse that casts the shadow of ancestral sin upon the last four members of the distinctive Pyncheon family of Salem. The greed and haughty pride of the Pyncheon family through the generations is mirrored in the gloomy decay of their seven-gabled mansion, where the family's enfeebled and impoverished relations now live. Mysterious deaths threaten the living. Musty documents nestle behind hidden panels carrying the secret of the family's salvation - or its downfall. A brilliant intertwining of the popular, the symbolic, and the historical, Hawthorne's Gothic romance is a powerful exploration of personal and national guilt, a work that Henry James declared the closest approach we are likely to have to the Great American Novel.

The House of the Seven Gables made famous by American author Nathaniel Hawthorne's novel *The House of the Seven Gables* (1851), is a 1668 colonial. The House of the Seven Gables was built by a Salem sea captain and merchant named John Turner in 1668 and occupied by three generations of the Turner family.
