

Little Girls and Their Ponies: A Novella

That day on the road took everything from Alice Montgomery. Her beautiful face, her fathers keen mind, and her precious horse. One horrible accident left her trapped in a burning truck. They say she was lucky to survive, but they lied. Nearly a year later, Alice feels the pain and sadness from that day just as fresh as when it happened. Her surviving is barely hanging on. How do you live when all you once lived for is dead and gone? Then one day opportunity knocks on the door. Its the chance to heal, to move on. Finally, Alice feels something besides the familiar, aching pain. Its time to leave the fire behind and truly live again, but Alice holds tight to the pain of that day, possibly too tight to ever let go.

I love Melody Carlsons Christmas novellas I read at least one every year (so I hope she Cute story about a young girl and her wish for a pony for Christmas. Of Mice and Men is a novella written by author John Steinbeck.
