

Three Tales (Penguin Classics)

Three stories by a French master. First published in 1877, these three stories are dominated by questions of doubt, love, loneliness, and religious experience. Together they confirm Flaubert as a master of the short story. *A Simple Heart* relates the story of Felicite, an uneducated serving-woman who retains her Catholic faith despite a life of desolation and loss. *The Legend of Saint Julian Hospitator*, inspired by a stained-glass window in Rouen cathedral, describes the fate of a sadistic hunter destined to murder his own parents. The blend of faith and cruelty that dominates this story may also be found in *Herodias*, a reworking of the tale of Salome and John the Baptist. This new edition is a completely new translation with a new introduction by Geoffrey Wall, Flaubert's acclaimed biographer. It features a chronology, further reading, and explanatory notes. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world.
