

Globetrotter Island Guide Philippines (Globetrotter Islands: Philippines)

These are stylish guides to island getaways, thematically rather than geographically organized. The chapters are thematic essays with helpful hints and information on making the most of your island experience. Each chapter will feature a map tailored to its theme. Chapter 1 will feature the physical island, its location, climate, geology and geography. Chapter 2 covers the islands culture, including its people, religions, festivals, music, dance, arts and crafts, architecture, history, population, official languages, currency, etc. Chapter 3 deals with accommodation, giving a range of the best hotels and resorts and supplying information on facilities and services. Chapter 4 gives advice on where, when and how to shop, and a profile of the best buys, with features on indigenous arts and crafts. Chapter 5 covers the islands cuisine and top restaurants, and also offers advice on where to shop for food. Chapter 6 features sports and other activities available on the island, including offshore activities such as diving and sailing. At the end of the book there will be a Travel Tips section covering practical matters such as transport, useful information, contact details, language information, and a calendar of holidays and festivals.
