

Valor on the Move

Hed give his life to protect the presidents son. But he never expected to risk his heart.

Growing up gay in the White House hasnt been easy for Rafael Castillo. Codenamed Valor by the Secret Service, Rafa feels anything but brave as he hides in the closet and tries to stay below the radar in his last year of college. His fathers presidency is almost over, and he just needs to stick to his carefully crafted plan. Once his familys out of the spotlight, he can be honest with his conservative parents about his sexuality and his dream of being a chef. Its definitely not part of Rafas plan to get a new Secret Service agent whos a walking wet dream, but hes made it this long keeping his desires to himself. Besides, its not like Shane Kendrick would even look at him twice if it wasnt his job. Shanes worked his way up through the Secret Service ranks, and while protecting the presidents shy, boring son isnt his dream White House assignment, its an easy enough task since no one pays Rafa much attention. He discovers theres a vibrant young man beneath the timid public shell, and while he knows Rafa has a crush on him, he assures himself its harmless. Shanes never had room for romance in his life, and hed certainly never cross that line with a protectee. Keeping Rafa safe at any cost is Shanes mission. But as Rafa gets under his skin, will they both put their hearts on the line?
