

# The Last Time I Saw You

In *The Last Time I Saw You*, author Rebecca Brown returns to the obsessive, darkly humorous voice that has earned her comparisons to Samuel Beckett and Djuna Barnes. Some of the tales in this collection are told in the scrappy, breathless voice of a naïf on the verge of a terrible revelation. Others are noir-baroque monologues that collapse in on themselves as a speaker at last abandons a much-needed delusion. Intense, artfully crafted, and oddly comic, the stories in this collection are bound to stay with you like an insistent, disturbing dream. Rebecca Brown is the winner of the 2003 Washington State Book Award. Her books include *The Gifts of the Body*, *Excerpts From a Family Medical Dictionary*, *The Terrible Girls*, and *The End of Youth*.
