

The Latin Eclogues

Giovanni Boccaccio is famous for his masterpiece *The Decameron*, but his Latin *Eclogues* are relatively unknown. David R. Slavitt's English translation makes these important pieces accessible to a new audience of readers. Elegant and engaging, these pastoral poems address the great issues of Boccaccio's Italy, including the political and military intrigues of the day. Boccaccio modeled his poems on Petrarch's *eclogues* and, before him, those of Virgil and Theocritus. Slavitt's impeccable translations are highly readable, while his editorial interjections both elucidate the poets' intended meaning and frame the poems for the reader. These charming works offer wonderful insight into daily life in Renaissance Italy. A prolific and award-winning translator, Slavitt turns the *Eclogues* into vibrant modern English, capturing not only the words of Boccaccio but the flavor of the original language. The availability of *The Latin Eclogues* in English is a major contribution to the study of the literature and history of the Italian Renaissance.

The *Einsiedeln Eclogues* are two Latin pastoral poems, written in hexameters. They were discovered in a tenth-century manuscript from Einsiedeln Abbey.
