

## Montana Mustangs: Book 2 of the Nymph Series

A nymph: a woman with the ability to seduce at will, shift to protect, but cursed with the fate to have the man she falls in love with die a tragic death. As one of these ill-fated nymphs, Aura Montgarten has spent her lifetime drifting from one place to another hiding from love. Until she meets Dane. When a body washes up on the shore of a rural Montana lake, police officer Dane Burke is faced with the task of finding the killer - even if it means he will be forced to put his life and heart at risk by working with a drifter. As the truth of Aura's Mustang-shifting nymph ways are revealed, Dane learns exactly the amount of danger he and Aura are in, but can't force himself to leave a case unsolved when the truth is just outside his grasp. When the killer decides he needs to take another victim - Dane - Aura must choose between their forbidden love and her immortal life. Can there be life without love or is death her only choice?
