

Greatshadow: Book One of the Dragon Apocalypse

The warrior woman known as Infidel is legendary for her superhuman strength and skin tough as chain mail. She's made few friends during her career as a sword-for-hire, and many powerful enemies. Following the death of her closest companion, Infidel finds herself weary of life as a mercenary and sets her eyes on one final prize that will allow her to live out the rest of her days in luxury, the priceless treasure trove of Greatshadow.

Greatshadow is the primal dragon of fire. His malign intelligence spies upon mankind through every flickering candle, patiently waiting to devour victims careless with even the smallest flame. The Church of the Book has assembled a team of twelve battle-hardened adventurers to slay the dragon once and for all. But tensions run high between the leaders of the quest who view the mission as a holy duty and the super-powered mercenaries who add power to their ranks, who dream only of Greatshadow's vast wealth. If the warriors fail to slay the beast, will they doom mankind to death by fire? Greatshadow is the first book in an exciting new adventure series, blending superheroes and epic fantasy into a unique take on both genres.
