

## Ye Old Lore Of Yore Volume 1 (1st Cursed Pirate Girl)

Within these pages you will find tales from long ago that were retold and transcribed from ancient sources, some of which crumbled to dust upon their translation. Take heed reader, the tales are not for the faint of heart, but are best read with shades drawn, drapes pulled, and doors locked. Featuring tales by David Petersen (Mouse Guard), Jeremy Bastian (Cursed Pirate Girl), and the first appearance of Cursed Pirate Girl.
